**Here is your opportunity to own one of Princess's most popular, nicest running hulls ever built. This 2021 Princess F70 has been professionally maintained to the highest of standards and is sure to not disappoint. With a lengthy list of custom additions, along with factory options of Seakeeper SK18, variable speed bow and stern thrusters, additional long-range fuel tank, optional crew quarter with separate AC are just some of the options on this boat that should put it at the top of your list.**

**Once on board, it is apparent that the factory in Plymouth, England takes incredible pride in their craft. The open and social layout allows for free-flowing conversations and easy movement from the cockpit to the galley to the salon. The U-Shaped dining area on the flybridge is just steps away from the wet bar and the forward seating area aside the helm so communication on the bridge is easy, even underway.**
