Summary/Description

This 2023 AB 120' Beach Yacht WRAITH has an expandable wooden platform that is fitted with two hydraulically operated wings that open to create a space of nearly 1,110 square feet and also has more than 500 square-foot of glazing in the main salon, providing guests with an abundance of natural light and undisturbed panoramic views.

Great opportunity to own a newly delivered AB 120' Beach Sportfly. Experience the thrill of life at high speed with the serenity of smooth cruising aboard the Superfast version of this 2023 AB 120' Beach Sportfly WRAITH. This 120' AB has a beautiful aft deck that can expand to nearly 1100 square feet and has more than 500 square-foot of glazing in the main salon, providing guests with an abundance of natural light and undisturbed panoramic views. On top of that, this 120' AB Yacht is equipped with a waterjet propulsion system and three 2,600 hp engines that can reportedly push it to speeds in excess of 40 knots without compromising comfort or stability. This AB 120' Sportfly has been maintained to the highest level and is in pristine condition. Wraith also comes with a full factory warranty.
