Summary/Description

2000 40' Transpacific Marine Eagle trawler

Pipe Dream is a 2000 40' Transpacific Marine Eagle trawler in nice condition. She offers a single Cummins 220 HP main engine, Westerbeke 7.6 kW generator, C-Marine bow and stern thrusters, solar panels, flybridge and pilothouse helms and a stateroom forward with a queen size berth and ensuite head with an enclosed shower. Pipe Dream has been based in fresh water for the past five years and is presently docked under cover. Pipe Dream is a Great Loop veteran.

40' Eagle Vessel Walkthrough

From the stainless steel & teak swimplatform, you enter the hardtop covered aftdeck via the transom gate and find a stainless steel & teak ladder to the hardtop covered flybridge, one molded-in step to each side deck and a hatch and door to the salon. Once inside the salon, you will find a benchseat starboard aft, refrigerator and washer/dryer in a cabinet starboard forward, seating with a double pedestal table to port and galley port forward. Walk forward and step up the companionway to the pilothouse to find a side deck access door on each side, helm starboard forward, fold-up helm seat starboard aft and L-shaped seating with a double pedestal table aft. The stateroom companionway is port forward. Step down and walk forward to find the head and enclosed shower to starboard, storage locker to port and the stateroom forward with an island queen size berth and direct access to the head. Engine room access is via pilothouse sole hatches and hinged companionway stairs aft.

The headroom in the salon is 6'4", 6'10" in the pilothouse, 6'7" in the master stateroom, 6'3" in the shower, 6'5" on the flybridge and 6'4" on the aftdeck. The master stateroom berth is 7' long.

The height from the waterline to the top of the mast is 16'10" and is only 12'10" with the mast removed.

40' Eagle Accommodations
