Summary/Description

For Sale

2015 55 Prestige Flybridge "Just Peachy" yacht for sale in Marco Island, FL. One of the most important things when purchasing a preowned yacht is the previous owner. This owner is a licensed Capt. who uses the boat regularly. He believes in updating items when needed and he has always taken great care of his yachts. The list of updates is extensive. You can see the extensive list of updates below. The Engine systems have been updated and maintained.

The F550 has one of the nicest layouts of any of the Prestige Yachts in this size range. The Master Stateroom with a private entrance is very well done, with a spacious Head that offers a large walk-through shower into a walk-in, dressing room/hanging locker combination. Not something you normally see on this size yacht. She has three staterooms with two heads. There are two helm locations, one in the salon with good visibility and one on the flybridge. The aft galley location allows it to service both cockpit dining, through large sliding doors, or the salon for an elegant dining atmosphere.

If you are looking for a 50-foot-plus yacht and are not familiar with the Prestige F-550 come and see her. If you are looking for a Prestige F-550 you need to see her.

No hurricane damage.
