## Accommodations / Walkthrough

3D Tour and Video Available.

Entering the vessel from the stern you step into a large cockpit area which doubles great as an extension of the aft deck. There are large fish /storage boxes on port and starboard side and a large bait tank built into the transom. Below deck is a large storage area and access to the steering system and night generator. There is also an access hatch to the crew area and engine room.

A couple of steps up is the aft deck with a beautiful table and comfortable seating for 8. Overhead is a heater for those cold winter nights. To port and starboard there is a docking control station.

Entering the main salon there are two comfortable club chairs to starboard and a large L-shaped sofa to port. This is a great area to relax and watch TV. Below the TV is a fireplace that creates a wonderful ambiance in this room.

Starboard side aft there are stairs leading down to the crew area. There you find the work/laundry room with a full-size washer and dryer. There is a crew cabin with two bunks and a TV. The crew head is to port and a full shower is to starboard. Forward of this cabin is the entrance to the engine room.

Moving forward from the salon you step up into the large open country style galley. This is a social focal point and gathering spot on this vessel. The big windows really brighten up this area and makes it a favorite hangout spot and really makes you part of the chefs creative process.

Upstairs from the galley is the bridge/skylounge. The state-of-the-art bridge equipment was upgraded in 2020 and ready for any occasion. There are two comfortable Stidd helm chairs. Aft is a comfortable lounge area where you can watch TV or just hang out and enjoy the cruise.

When you step out on the boat deck you will find a 14' Zodiac dinghy with a 50hp Yamaha outboard. The telescoping davit to port can be controlled via a wireless remote. Forward of the dinghy there is an outdoor sink and area to setup for outdoor cooking.

Moving downstairs is the accommodations level. Starting forward is the VIP stateroom. This is a great sized cabin with

ample storage and a custom mattress. This cabin has its own TV and stereo. To the starboard side is the comfortable head and large shower.

Aft of this stateroom is the twin/bunk stateroom. With two comfortable, custom mattresses, bunks and its own TV/stereo. This cabin also has access to an ensuite head and shower.

Moving further aft you will find the full beam master stateroom. This is a very large cabin with a sofa, custom king mattress and a vanity. The master cabin also has its own TV and stereo. The head is on the starboard side and features his and hers sinks, a tub and shower.
