Summary/Description

-

Overview

HEARTBEAT features a four stateroom and six head layout accommodating 10 owner's and guests and also has separate crew quarters with two crew staterooms each with their own private heads. On the main deck is the galley and a very open, inviting salon which includes a formal dining area. The upper deck consists of a large skylounge and aft upper deck area that offers the best of both worlds.

Highlights:

Excellent condition

Fresh interior

New crew quarters

Incredibly low hours

Ceramic polymer paint system

Extremely well equipped

Turn-key buying opportunity!

- All soft wall panels in the salon and master staterooms replaced
- Ceiling mirrors in the VIP replaced with matching soft panels
- Mirrors in the master head replaced
- Heat exchanger and exhaust manifold on the port generator replaced
- Washer and dryer replaced

Salon and Dining

The main salon is entered through the dual automatic doors from the aft deck. The salon area is very open and includes a large sitting area and formal dining area. Large windows bring in natural light and offer amazing views. New window shades were recently added. To port is the seating area with cocktail table and forward is the formal dining area with newly recovered dining chairs. Glass and custom bottle storage tastefully decorates the back side of the bar. Storage is found underneath the seating and lining the salon underneath the windows. Forward of the dining table is custom arranged dinnerware that makes for beautiful decor. A pop-up TV is easily viewed by all areas of the salon or goes down to hide itself to allow for the view out the side windows.

Galley

The galley is a perfect combination to act as both a family gathering area utilizing the dinette seating, or a more private

prepping and cooking area laid out forward of a private bulkhead. The day head is conveniently located between the salon and galley. To port is an access door to the walk around side deck. The galley appliances rival what is found in a home and includes:

- Newly recovered dinette seating
- A full standing GE Profile two door refrigerator and freezer
- GE Spacemaker microwave oven
- GE Profile stove cooktop
- GE oven below cooktop
- Two Subzero refrigerator drawers
- Two Subzero freezer drawers
- Trash compactor
- Fisher Paykel two drawer dish washer
- Franke stainless steel double sink
- GE food waste disposal
- U-Line wine chiller
- Sharp flatscreen TV

Companionway

Down the stairs to the companionway owners and guests are greeted by a beautiful foyer area with elegant marble flooring. The companionway separates and allows private access to all of the staterooms and also houses the GE stacked washer and dryer.

Accommodations

Master Stateroom

The master stateroom is located aft and is a very large full beam stateroom that rivals those of much larger yachts. Center-lined and facing forward is a large king sized bed. To port there is a seating area and remarkably large walk in closet. To starboard is a desk or vanity and also door access to the starboard stateroom. Three large hull side windows allow for natural light and view. Aft of the stateroom are his and her heads connected by a large walk in shower.

Master Stateroom Head

The private master head is finished in marble and has his and her heads with an enormous walk through shower connecting the two.

VIP Stateroom

The VIP Stateroom is located forward of the companionway and is very spacious in size. It features a private head, large hanging locker, and hull side port lights on each side of the room.

VIP Stateroom Head

The VIP stateroom has its own private head. Marble counter tops and flooring compliment the cherry wood and beautiful fixtures.

Starboard Stateroom

The starboard stateroom has two single berths and an additional Pullman berth that folds down if needed. This stateroom also has its own private ensuite head.

Starboard Stateroom Head

The starboard stateroom has its own private ensuite head. It features marble counter tops and flooring, and separate shower stall with port light.

Port Stateroom

The port stateroom is very versatile offering comfortable accommodations for different guest situations. The two single berths can be arranged to create one large berth. There is also a Pullman berth that folds up into the inboard bulkhead. This stateroom has a large hanging locker, private ensuite head and natural light from a hull side port light.

Port Stateroom Head

The starboard stateroom has its own private ensuite head. It features marble counter tops and flooring, and separate shower stall with port light.

Skylounge

The skylounge enjoys 360 degree views offering great visibility elevated to maximize the enjoyment of yachting destinations. The main helm is thoughtfully laid out with an extensive navigational electronics package and vessel monitoring systems. The skylounge houses plenty of seating and acts as another interior upper salon. A large glass door opens up to the upper aft deck.

Upper Aft Deck Sunlounge

The upper aft deck is a spacious outdoor sun lounge area that is prime real estate for enjoying the outdoors and the view. Free standing furniture can be arranged to enjoy the sun or shade utilizing the designated area for a removable umbrella. A large grill area has been recently updated.

- New freshly painted nonskid decks
- Tethered portable Glendinning docking station for docking visibility
- Frigibar freezer chest with cushion on top
- Quick Lift 2,000 lb hydraulic davit

Aft Deck

The large aft deck is very spacious for entertaining. A table and seating allows for nice outdoor dining. The aft deck is easily boarded from the Marquipt boarding ladder and is the perfect greeting area for owners and guest's arrivals.

- Teak decks
- NEW teak swim platform deck and access steps
- Removable railings on swim platform for safety and easy boarding
- Lights and speakers overhead
- Camera overhead
- Automatic double doors to enter the salon
- Aft docking station with Glendinning controls, bow and stern thruster controls
- Refrigerator and sink
- Marquipt ladder with designated storage
- Wash down hose on a Glendinning HoseMaster reel
- Boat hook storage
- Teak stair access to the upper aft deck
- Gates to the swim platform access steps

Fore and Side Decks

The foredeck and side decks have newly painted fresh nonskid. The side decks offer safe and convenient walk around access fore and aft offering privacy from crew if the owners and guests are in the salon. The foredeck has seating areas with newly covered cushions and also a lounge area which offer another great place to relax and enjoy.

- New freshly painted nonskid
- Two Maxwell 4000 Windlasses
- Glendinning HoseMaster hose reel
- Two plow anchors
- Hook up for 100 amp shore power cord
- Seating areas and lounge pads with newly covered cushions
- Insert for umbrella to cover seating area
- Bosuns locker
- High bulwarks with stainless handrail
- Hatch to forward stateroom
- Starboard side door with galley access
- Cameras in overhead port and starboard side decks and aft deck

Crew Quarters (Updated 2018)

The crew area is separate from the owner and guest accommodations and is accessed through the aft transom door. There are two crew staterooms each with their own private heads. The port stateroom has a double berth and the port light for natural lighting. Access to the engine room is through the crew area.
