Summary/Description

This Viking Convertible is the open single stateroom plan "A" Layout She is maintained to the highest standards and has many upgrades. There is no doubt she is the nicest 38' on the market! This Viking is a must see for anyone in the market in this class.

This Viking Convertible is the open single stateroom plan "A" Layout She is maintained to the highest standards and has many upgrades. There is no doubt she is the nicest 38' on the market! This Viking is a must see for anyone in the market in this class. All major work done at Merritt's Shipyard.

No expenses spared on recent major overhauls of both engines with extensive records. All work performed by RPM Diesel (Authorized Detroit Diesel). She cruises comfortably at 19-21kts sipping 30gph (combined). Extensive Garmin electronics upgrades.

VESSEL ACCOMMODATIONS AND EQUIPMENT

Pigal is a plan "A" layout boasting a very open and spacious room; giving it the feel of a much larger vessel. The single master state room with a centerline queen bed is found forward with an en suite head with stall shower to port and the large convertible dinette is midship (sleeping 2). The salon sofa has a built-in fold-out twin bed (sleeping 1). The interior is finished with top quality teak and superior joinery work that Viking is famous for.

SALON

The salon windows have factory Hunter-Douglas blinds and fabric lambrequins. The carpet is in excellent condition and is custom bound on the edges for easy removal when engine maintenance is needed.

- Carpet runners (Salon/ Hallway/ Master Stateroom)
- L-shaped sofa with storage beneath (Starboard) and fold out twin bed (Aft)
- Entertainment center with TV, VCR, DVD, over the air antenna
- Electrical panel and breakfast bar separating the salon from the galley (Port)

GALLEY

The galley is mid-level and located one step down from the salon. Down one step and to starboard is the large U-shaped Dinette, which converts to a bed and can sleep two guests.

- 2 Burner Princess stoves
- Kenmore convection/microwave oven
- Whirlpool refrigerator/freezer

MASTER STATEROOM

- Centerline, queen, bed with drawer storage beneath (Forward)

- Storage lockers (Port)
- Cedar-lined hanging closet (Starboard)
- Built-in TV, DVD (Starboard)
- Private Entrance to the head (Port)
- Separate air conditioning

HEAD

The Head (Port) is accessed from the companion way, or from the forward state room, which includes a vanity with molded one piece top sink and a mirrored medicine cabinet. Aft is a separate stall shower with folding door and Vac-U-Flush head.

ELECTRONICS AND NAVIGATION
