Summary/Description

2004 Island Packet 370

The Island Packet 370 represents the combined talents of the engineering, design, sales, and marketing staffs at Island Packet, coupled with the constructive and enlightened feedback of our enthusiastic owners and dealers. Marking a notable evolution in the Island Packet family, the 370 offers refined keel shapes and a higher aspect ratio rig for increased performance, new rudder shaft and blade geometry for enhanced control under sail and power, and a watertight anchor locker bulkhead for added security. The accommodations also shine, with the ever popular island berth both fore and aft, a separate shower stall in the head, and an optional Plus Package that boasts a solid, bevel planked teak and oak sole, premium Corian countertops in the galley and head, and furniture quality satin finish varnish on all interior wood surfaces.
