OVERVIEW

Destination, launched late 2002 and delivered early 2003, turns heads in every port. Her Dubois/Alloy Yachts pedigree is one of the world's best. Add the original Redman Whiteley interior with the later Reymond Langton Design input and you have an internationally celebrated combination that's hard to beat.

Destination's excellent sailing performance and ever-popular exterior and interior design are timeless. Carbon fiber mast and in-furling boom pair up with captive and on-deck winches to produce exhilarating sailing, whether cruising or "Bucket" racing. Flush deck hatches, hidden articulating anchors, stern and side platforms to the water are the most modern features. The deck layout with two spacious "cockpits" and the interior layout

with panoramic upper saloon/pilothouse, lower saloon and 4 staterooms for 8 guests aft create a flexible, comfortable living space for safe, enjoyable cruising.

The latest substantial refit ending in December 2020 and the completion with flying colors of her 20-year ABS class surveys in 2021, plus constant assiduous maintenance, deliver Destination in truly extraordinary condition. This superb condition coupled with enduring, desirable features is exceptionally valuable to any new owner.

Built to ABS class and MCA compliance, Destination is a tried and true world-cruiser from the tropics to the polar climes—at your beckoned call to begin your journey immediately.

Not for sale to US residents while in US waters.
