Summary/Description

"Two & Five" is a well-maintained Albemarle 360 Express Fisherman with Volvo IPS Pods.

"Two & Five" is a well-maintained Albemarle 360 Express Fisherman with Volvo IPS Pods. This vessel has all the creature comforts that are desired in a true "blue water express". You will see that when walking onboard, especially with the large cockpit and rigging. Even better, take advantage of the Inboard Propulsion System! They do an excellent job at getting her offshore, especially regarding fuel efficiency. Add no fumes when running or trolling. She really shines with close quarter maneuvering. No more worrying about wind and current, all with the touch of a joystick you can make her move sideways. Make boating/fishing fun again.

This vessel had new PODS installed which only have 150 hours on them.
