Hours: 962
Location: Starboard

Summary/Description

2017 Pershing 70' Motor Yacht - Elegant, sophisticated cruising yacht combines form, function, & high-tech for superior performance and comfort in 3 ensuite cabin layout. Cruises at 40 knots powered by twin 1623HP MTU diesels for a thrilling experience!

The 1,000 Hour service was done at 950 hours because that is how this owner and his full time captain maintained the vessel.

The unique Indigo Metallic paint adds an sophistication to the boat rarely on the water. The color changes from every angle. It's unique and elegant and surely this boat apart.

Watching the world quickly slip by as you relax peacefully in a soft and hushed place, free and protected. It sounds like the introduction to a meditation course, but it is exactly what you will experience while seated comfortably in the cockpit, enveloped by silence, while your Pershing 70 plows the waves at over 48 knots and the sea whisks by in the side windows. The merit of this phenomenal mixture of speed, comfort and performance (the Pershing 70's performance and consumption peak is at 40 knots!) is down to the design that merges good looks and function with the fundamental role of technology and the power of its engines.

One just has to take a look at the latest generation Autotrim that makes driving easy even for the inexperienced, and even more fun for those who want to put their foot down. In any case, life on board will be lit by the large glass surfaces and the luxurious and sophisticated interiors with three cabins with bathroom and an automation system worthy of larger yachts. And for those who watch you from the dock or from another boat, the two large side wings will be the sign that Pershing has once again created an enviable masterpiece.

Manufacturer Provided Description

The Avant-Garde looks of the all-new Pershing 70 has conquered both loyal and new fans of the brand. A dynamic profile and innovative design are enhanced by two large structural wings that give the yacht a truly breathtaking appearance on the water, and a truly unique personality like no other. This yacht represents a new generation of Pershings and captivates owners who seek a yacht with unique style that is recognizable immediately and is the essence of elegance and speed, power and beauty, technology and combined with the top system 85p surface-piercing propellers the vessel can reach an astonishing maximum speed of 46 knots and cruising speed of 40 knots.

Mechanical Disclaimer

Engine and generator hours are as of the date of the original listing and are a representation of what the listing broker is told by the owner and/or actual reading of the engine hour meters. The broker cannot guarantee the true hours. It is the responsibility of the purchaser and/or his agent to verify engine hours, warranties implied or otherwise and major overhauls as well as all other representations noted on the listing brochure.
