### Engine 1

Cummins  
6CTA8.3-M  
Inboard  
460HP  
343.02KW  
Fuel: Diesel  
Year: 2003  
Location: Starboard

### Engine 2

Cummins  
6CTA8.3-M  
Inboard  
460HP  
343.02KW  
Fuel: Diesel  
Year: 2003  
Location: Port

### Generator 1

ONAN  
9MDKAV - 2866  
9KW  
Hours: 860

## Summary/Description

Spectacularly maintained motor yacht that is ready to take you and the family out for the day or the week. Are you ready to live the dream? Surly a must see vessel with a motivated seller looking for an offer.

## Walk Through

Have you been dreaming of getting out on the water on your own boat? Does this boat need twin engines, up to date electronics, and comfortable spacious staterooms? Small enough to get into the tight marinas, but large enough to make those long trips and stay out for days at a time? If so, look no further.

This 2003 Sea Ray 450 Express bridge brings it all together with a elegant look and comfortable feel. Starting forward on deck you see the side decks are recessed for safety while underway and ease of walking forward to drop the hook. You walk aft and instead of walking on a tight side deck you walk up wide steps up to the fly-bridge. The fly-bridge is thoughtfully laid out for entertaining as well as handling underway. You walk down the back stairs to the back deck where there is plenty of room for entertaining, fishing, or jumping off to take a swim.

Walking through the sliding glass door into the Saloon there are couches to relax on in the Air Conditioning while making snacks in the full Galley. Continuing forward inside from the saloon you will pass through the galley to port, followed by a stateroom on starboard and a head with separate shower. Passing the head you come to the full beam master stateroom with on-suite head with a separate shower.

As you walked through the boat you have noticed the amazing amount of storage hatches everywhere. The amount of storage is something not lacking. You will be able to bring everything you need to be comfortable.
