80KW
Hours: 10999

Summary/Description

-

CONSTRUCTION

Built with Fiberglass Hull and Carbon Fiber Superstructure, the Benetti Fast 125 is driven by Rolls Royce Azipod drives, which add a turn of speed, and increased range to this stylish yacht. A range of 2000 miles at 10 knots, is complemented with a WOT of over 22 knots.

In addition to having Rolls Royce Azipod drives, the Fast 125 innovated a “wave-piecer” on the bow, which adds efficiency, and also keeps the 125 nice and flat at speed.

ACCOMMODATIONS

INSPIRATION's interior is an airy light oak with dark contrast trim. Rich and luxurious furniture, and carpets add a sense of comfort and luxury.

The 28’ beam and carbon fiber superstructure allows for enormous windows in all areas, and a noticeably higher ceiling.

The full beam Sky Lounge with massive windows, a bar, an 85” 4K TV with surround sound, and a fully opening window wall leads to the upper deck cockpit and creates a large shared space for beautiful days.

The on-deck Master Cabin features ensuite his and hers, with port and starboard fully automated private balconies.

Three guest cabins with Queen beds, and a fourth cabin with twin beds and a pullman all featuring ensuite are located on the lower deck.

INSPIRATION is instantly recognizable as a Benetti, but with a modern edge, that hints at her turn of speed. Like all Benetti yachts, she has a wide and safe walk around, and teak decks on all deck surfaces. A light grey caulk, emphasizes the modern nature of this fast Benetti.

The aft deck is spacious with large U seating, and two high style and comfortable chairs.

Sky Lounge Aft features a round dining table with blue enamel lazy-susan and Glyn Peter Machine chairs. High style sling chairs and additional seating. A buffet cabinet has fridge and ice maker, and there is a suspended outdoor TV.

The Sundeck is enormous, has a glass and stainless observation bar with three stools at the forward end, and a full bar with Glyn Peter Machine bar stools, fridge, icemaker, and two Gaggenau Grills. A 55” 360 degree rotation TV sits between the dining area with convertible table, and the sunpads fully aft.

Forward, on the bow, a U shaped seating element with table is complemented with two large sunpads, flanking a Jacuzzi.

The beach club is huge teak beach, equipped with fridge and icemaker sits astride a 6’ deep locker for storage of toys. A sculptural stainless steel shower and fitting join a swim ladder, and tender cleats in the beach area.

INSPIRATION has a starboard side garage that holds a 5.35 Williams diesel tender, two Spark PWC, and has an integral fueling station.
