LIBERTY

The 50 meters (164ft) motor yacht Liberty was delivered by ISA Yachts in 2011. The yacht's interior has been designed by Rene Van Der Velden and her exterior styling is by Andrea Vallicelli. Fully stabilized and capable of speeds in excess of 15 knots, she is comfortable, fast and remarkably fuel-efficient.

The interiors by Rene Van Der Velden were inspired by the ocean, as evidenced in the main deck's coral-themed dining area and there is a Zen-like atmosphere throughout thanks to soft and neutral tones, and lots of light wood.

Timeless styling, beautiful furnishings, and sumptuous seating feature throughout to create an elegant and comfortable atmosphere.

Liberty was built to MCA and Lloyds Register standards, completing her 10-year special class survey in 2021. Liberty was designed to be a successful charter vessel from build, as such has built up an impressive reputation within the charter market.
