DECKS, ARRANGEMENT & EQUIPMENT

Sundeck:

The sundeck consists of a touch-and-go helipad area that can be used for pick-up/drop-off of guests, or when not in use, as a large lounge area with seating for 16 guests, covered by a large awning providing guests with plenty of shade.

Forward to it, you will find an “al fresco” dining table for 12 guests, a BBQ grill station, a bar accommodating 7 guests on the port side, and a seating area on starboard.

All the way forward lies a jacuzzi accommodating up to seven guests, surrounded by 2 sunbathing areas fitted with 2 parasols providing shade whilst in the Jacuzzi.

For entertainment, the sundeck is equipped with a large TV, a high-end sound system, and discotheque lights.

Bridge deck:

The bridge deck aft is used to store the two Novurania tenders and the two Yamaha jet skis. Once unloaded thanks to the cranes fitted in the ceiling, the aft deck becomes a great flush area that could be fitted with any loose furniture of your choice.

Before the refit, the “al fresco” dining table used to be located in the center of the deck, between the tenders, and could easily be reinstalled in its initial position if needed.

Foredeck:

Right in front of the bridge, you will find a small seating area for couples to enjoy the views underway.

Main deck:

Accessing the main deck via a wide and centered passarelle, you will find a seating area that can accommodate about 8 to 10 guests thanks to its two opposite sofas and low tables.
