Summary/Description

For Sale

The Privilege 510 Signature is a true long distance cruising Catamaran, ideal for a global adventure. The brand is well known for its quality construction and attention to detail throughout. This 510 combines knowledge and excellent design build for the ease of short handed sailing with superb sail control systems plus optional sail configurations, fantastic live aboard systems and power management for long passages and living on the anchor, all in complete luxury. The accommodation is vast with a master suit in what can only be described as phenomenal for a boat of the this size, something more inline for 100ft+ motor yacht. She has a palatial cockpit, raised helm station, saloon and galley area. The list is so long on what makes this boat so special, however the images really tell it all. This example was commissioned by its present owners in 2022 and has been maintained with a no expense spared approach. Please call for in depth details. These boat details are subject to contract. Note: Offers on the asking price may be considered.
