Introducing Sea Chant, a Supercat 67 meticulously crafted for the discerning adventurer. This one-of-a-kind vessel wasn't born on an assembly line; it's the brainchild of renowned boat builder Dennis Shultz, poured into every inch of its sleek design.

Sea Chant: A Supercat Expedition Built for Adventure

Introducing Sea Chant, a Supercat 67 meticulously crafted for the discerning adventurer. This one-of-a-kind vessel wasn't born on an assembly line; it's the brainchild of renowned boat builder Dennis Shultz, poured into every inch of its sleek design.

Built to conquer oceans, Sea Chant boasts a pedigree unlike any other. With over 1,000 SuperCat vessels navigating the world's waters, including seasoned deep-sea fishing boats off the South African coast, quality and resilience are woven into its very fabric.

Effortless Performance:

- 300+ nautical miles per day: Carve through the waves with ease thanks to efficient slim displacement hulls and a Carbon rotating wing mast that harnesses the wind's power
- Unmatched construction: Cutting-edge technology meets meticulous craftsmanship. The hull is a masterpiece of composite Carbon, Glass, PVC Foam, and Epoxy, ensuring strength and longevity.

Designed for Comfort and Exploration:

- Panoramic views: The enclosed upstairs helm station offers breathtaking 360-degree vistas, putting you in complete control and closer to the horizon.
- Simplicity reigns: Uncluttered spaces prioritize ergonomics and functionality, making maintenance a breeze compared to similar vessels.
- Adaptable adventurer: Sea Chant transforms effortlessly. Remove the rig, and you have a fuel-efficient motor catamaran perfect for expeditions under fixed bridges.

More than just a boat, Sea Chant is an invitation to chase the horizon. Whether you're a seasoned sailor or a first-time explorer, this Supercat is ready to take you on unforgettable journeys.
