Location: Starboard

Summary/Description

2001 Cruisers Yachts 3672 Express

This Cruisers 3672 is a large and spacious Express Cruiser with one of the better layouts in this type of boat. Measuring 40'2" LOA with a tall freeboard and very large interior, her layout features a single stateroom with with an after sleeper sofa, a Crescent Sleeper Sofa, a Crescent dinette, and a head compartment large enough for a nice size shower stall. This roomy inboard cruiser is large enough for the entire family to enjoy some extended time onboard in style. She is nicely appointed with high gloss cherry cabinetry throughout, a galley with cooktop, refrigerator, microwave, Corian style countertop and generous storage space. On deck there is a large aft cockpit with plenty of comfortable seating and a removeable cockpit table that converts to a filler cushion for lounging. The upper helm deck is equipped with a bench seat and walk-thru windshield for easy access to the bow for line handling.

Manufacturer Provided Description

The Cruisers 3672 Express features a sleek express exterior with plenty of cockpit space and a well-thought-out layout, effectively combining above-deck comfort with a sweet, performance-driven profile. Owners can select from two interior layouts. With the single-stateroom layout, the 3672 achieves a family-room feel. The airy salon is one wide-open living space from the forward stateroom - which can be closed off by either a standard privacy curtain or an optional bulkhead and door - to the comfortable, easily convertible aft settee. The double stateroom layout offers a midcabin stateroom with twin berths instead of the settee. In either case, there are comfortable sleeping accommodations for five people with its generous six feet, six inches of headroom. A cherry veneer interior is an available option.

Mechanical Disclaimer

Engine and generator hours are as of the date of the original listing and are a representation of what the listing broker is told by the owner and/or actual reading of the engine hour meters. The broker cannot guarantee the true hours. It is the responsibility of the purchaser and/or his agent to verify engine hours, warranties implied or otherwise and major overhauls as well as all other representations noted on the listing brochure.
