GUEST ACCOMMODATION

TANZANITE offers guest accommodation for up to 10 guests in 5 ensuites with a full-beam Master Ensuite located on the main deck, four king ensuites, two of which that can convert to twins. There are 5 beds in total, all essentially king beds. She is also capable of carrying up to 9 crew onboard.

Description: TANZANITE 145' Westship 2004/2023

TANZANITE accommodates up to 10 guests in five exquisite cabins. The on-deck, full-beam master suite and four kings, with the flexibility of two cabins converting to twins, provide unparalleled comfort. All cabins boast ensuites with jacuzzis and state-of-the-art entertainment systems, ensuring a delightful experience for all on board. She is also capable of carrying up to 9 crew onboard to ensure a relaxed experience.

Benefiting from an extensive interior and exterior refit, TANZANITE is in like-new, immaculate condition. The stylish interior, penned by Innovative Creations is elegant making use of rich woods balanced with natural tones throughout and pops of navy blue. Carr Design is behind the yacht's distinctive exterior. A full exterior paint job took place in 2019, as well sundeck extension of 10' (3m), enhancing outdoor space. In 2022, the MTU 12V 4000 engines received a full rebuild (330 hours each post rebuild).

TANZANITE boasts an exceptional volume for her size, providing spacious and comfortable living areas that surpass expectations. The expansive exterior decks further enhance the onboard experience, offering ample space for relaxation and entertainment against breathtaking ocean backdrops. A standout feature is the beach club, providing a private oasis at sea for guests to unwind. The yacht's indulgent offerings continue with a luxurious hot tub and a total of four onboard bars, ensuring that every social gathering or intimate moment can be enjoyed in stylish and well-appointed settings.

Built with a GRP hull and GRP superstructure, she benefits from a semi-displacement hull to provide exceptional seakeeping and impressive speeds. Powered by twin MTU engines, she comfortably cruises at 12 knots, reaches a maximum speed of 21 knots and boasts a 3,000 nautical mile range. An advanced stabilization system on board reduces the side-to-side roll of the yacht and promises guests exceptional comfort levels at anchor or when underway.

Tax-paid and competitively priced with few similar yachts on the market, TANZANITE is an attractive proposition for buyers. A popular charter model, this yacht not only promises a delightful private cruising experience but also holds the potential for a lucrative charter program.
