## Summary/Description

This Benetti Classic 121 is truly unique. For the past six months, she has undergone a transformation.

This Benetti Classic 121 is truly unique. For the past six months, she has undergone a transformation. Every system has been either rebuilt, refurbished, restored or replaced. We have detailed pictures, and receipts documenting it all. From the hull bottom to the sun deck, nothing has been missed.

Additionally the interior is tastefully done, and all brought back to its original luster. Soft, natural wood adorns the floors and furnishings. Not the high-gloss with gold trim that was customary in Benetti yachts of this vintage. Moreover her teak decks and hull sides show like new.

We have invited RINA back to re-inspect, and we expect a full commercial class certification by mid-May.

The current owner is motivated, as he has purchased his next yacht; a 145 Benetti. He loves the builder. But this yacht must go quickly. For a deal that is documented within the next thirty days, he will add the 37 foot tow tender to the deal. She is also nicely restored. This in addition to the 2 jet skis, 2 sea bobs, rescue tender and other assorted charter toys come with the sale.
