Data Sheet

Category: Cutter
Condition: Used
Model Year: 1993
LOA: 47' (14.33m)

Fuel Type: Diesel
Hull Material: Steel

Engines/Generators

Summary/Description

"Hakluyt" has a proven history of seaworthiness and toughness! "Hakluyt" has an incredible history of successfully sailing to some of the most remote and harshest environments the planet has to offer. From Antarctica to the Arctic to the North Atlantic during one of the worst winters in 40 years!

Much of the refit and upgrades are documented here:

<https://www.svhakluyt.com/hakluyt-refit>

Hakluyt's history is documented here:

- GPS: Raymarine
- AIS: Em-Trak B100 Transmitter receiver, Raymarine Ray 91 receiver
- VHF: Raymarine Ray 91
- Cockpit VHF: Raymarine wireless
- (2) Compass
- Iridium Go with external and YB3i antenna
- Navigation Lights
- Fwd and Aft Deck Lights
- Spreader Lights

All Raymarine Electronics NEW in 2022!!

Main Electrical panel is HUGE and designed for easy access to all wiring

Electrical

Battery Banks

- (16) x 24V House Bank: 280Ah/each "MG Energy" LiFePo for 110KW of power! NEW 2022! This is one of - if not THE largest battery banks on a non-commercial vessel!
- (3) x 12V House Bank: Batteries NEW 2022

Electrical Equipment

- Victron Energy Multiplus 2500w inverter/charger & battery monitor NEW 2022
- Victron Energy Cerbo GX 2022
- Victron MPPT 150/60 Solar Charger NEW 2022
- Victron 48v to 12v DC-DC converter NEW 2022
- Galvanic Isolator NEW 2023
- 12v, & 120v sockets throughout
- 110v Shore Power Cords

Power Sources

- (4) x LG Energy bifacial 435 Watt Solar panels on a custom extendable solar array! Nearly 2KW of renewable solar!
- (2) x 800 Watt Primus Silent X wind generators - Some of the quietest wind generators around!
- Oceanvolt Hydro energy regeneration via servo prop motors under sail

- Champion 1700 Watt Gas generator
- Shore power

All wiring NEW and ABYC compliant 2022!!!!

NEW custom electronics control panel!

Propulsion

Motors

(2) x 15KW Oceanvolt servoprop ELECTRIC motors

Oceanvolt motors have a reputation as being top of the line marine electric motors!

The Oceanvolt motors are fed by the MASSIVE 110 Kilowatt Lithium Iron Phosphate battery bank through MG Energy System components - All professionally designed and engineered by Oceanvolt consultants for the 2022 refit!!

The massive battery bank is designed and intended to support missions to remote regions such as the Arctic.

***These motors are AMAZING - but if you are interested in Hakluyt and NOT the electric motors - we are amenable to removing them and selling the boat without propulsion so we can re-power our next boat with electric propulsion! Diesel motor platform and shaft tube are still in place and can easily be re-powered with another diesel engine.

Safety Equipment

- Fitzwright Model SMLR A6, Solas A pack compliant 6 person life raft - inspection is current
- 2 x ACR Cobham Satellite 406, Type 1 - float free EPIRB's
- Various water tight high intensity handheld floodlights
- MOB pole
- Lifesling
- Several Mustang PFD's
- 4 x Mustang Ocean Commander immersions suits
- Fire extinguishers: 4 x ABC multipurpose dry powder fire extinguishers.
- Multiple Flares
- Bilge pumps: 2 x electric 12V rule pumps, 1 x manual diaphragm pump.
- Emergency tiller.

Cabin / Galley Features

- Isotherm drawer style fridge / freezer NEW 2022
- All new LED lighting throughout
- Fans installed for those hot arctic days...
- Custom Nav station that caters to computer work
- Expansive galley storage and working space
- Easily Customizable Crew / storage conversions.
- LOADS of storage on this boat!
- New water pumps for both galley, shower and deck wash down
