Engine 1

Universal
26XPB
Inboard
26HP
19.39KW
Fuel: Diesel
Hours: 3919
Hours Date: 02-26-2024
Location: Middle

Summary/Description

Well maintained Bristol 29.9

Fine example of a well maintained Bristol 29.9. Sellers have lived aboard Sea Otter for several years. They re-powered this Bristol with a Universal 26. They installed a Dometic 12K reverse cycle heat and ac in 2021 and new refrigeration in 2023. All interior and exterior teak has recently been varnished and the deck painted. This Bristol has stainless steel lifelines.

Enter the roomy cockpit with lots of storage in 3 oversized lazarettes. Center aft lazarette has the emergency tiller. Wheel steering with autopilot and Garmin GPS/Chartplotter. Enter through the companionable door. To port aft is the quarter berth. Moving forward to port is the navigation station. At the navigation station is the Dual stereo with CD player and Standard Horizon VHF radio. Next forward is the port settee and drop leaf table. To starboard just inside the companionway is the galley with Origo 3000 alcohol cook top and refrigerator. New 110v electrical candles for outlets and AC. Forward of the galley to starboard is the starboard settee. Both settees have storage below and behind. Move forward to port is the head with a toilet that has never been used since installation a few years ago. To starboard is a closet. Move forward to the well appointed v-berth. All ports have been replaced and hatches have custom made screens. Three 12v fans throughout. This is a very nice under 30' liveaboard that will definitely surprise you. Call me at 786-518-9184 to make an appointment to see this great vessel.
