Summary/Description

"Vixen", is a 1980 Nonsuch 30 Classic. Ease of handling and roomy interior have made the 30 a popular coastal cruiser.

Vixen has a brand new (2017) Beta 3 diesel engine with only 60 hours, The single, unstayed mainsail with lazy jacks allows for easy handling, whether you're sailing solo or with a small crew.

Her stanchions have been relocated to the top of the tow rail, reducing the potential for deck leaks and increasing usable deck space. Both the hull and deck have been AWL-gripped. The dodger and bimini canvas have been replaced with hard plastic versions for practicality and reduced maintenance.

Overview

Accommodations

Below deck, you'll discover a roomy main cabin with a convertible settee berth. Two additional quarter berths under the cockpit ensure ample sleeping space. A well-appointed galley supports comfortable living aboard.
