Summary/Description

Beautiful Sea Ray Flybridge Bring your family and friends along on this well maintained, beautiful Sea Ray 400. You will have an incredible view from atop the fly bridge, while cruising along with twin Cummings diesel engines.

Newly renovated 2001 40 Ft. Sea Ray 400 Sedan Bridge Power Yacht. Completely renovated vinyl, underwater lights, underwater camera, new flooring, electronic surround system, outdoor lights, and swim platform. This boat is a boater's dream! The boat has brand NEW JL sound system that can play different music in different zones of the boat. New tower speakers as well to blast out your music so everyone can hear. Heist Night lights that are Bluetooth controlled all around the deck, back, and front of the boat that sync with the music or play a combination of colors as you like. New reverse camera on the bridge, and new underwater camera on the hull with underwater night lights in multiple colors. Brand new SEADEK flooring.

New customized vinyl seating all over the boat. New Garmin and new VHS RADIO. Includes new satellite phone, new house inflatable big enough for 4 people, new sea mat for up to 8 people 10 ft long, and 2 new underwater scooters. The swim platform is big enough for fishing, laying, or scuba diving. There is outside sitting on the bottom deck big enough for 4 people. Brand new polarization on windows as well all around the boat. Has Outdoor deck, swim platform, bridge dining table with lounge and 2 seats, 1 for the driver, and 1 for first mate. Inside the yacht has 1 dinette and booth, an electric sofa that turns into a sofa bed, another lounge.

Fully equipped kitchen includes outdoor fridge on outdoor deck, and indoor fridge and freezer, microwave, electric stovetop, 2 cabins with 2 bathrooms. 1 cabin with dual beds for the kids, and 1 master stateroom with 2 closets, shower, sink, and toilet. Enough outlets and docks for power around the boat. The front of the boat has 2 brand new sun-pads to lay on the tip of the boat sunbathing. The waste system and water system are fully automatic and electrical. The boat is operated as an

inboard dual Cummins brand diesel engines.
