True Bluewater cruiser for sail. Beautiful Southern Cross 35 for sale. This boat has been totally reworked for all intent and purpose this boat is NEW. Look at the pictures and then realize that she looks even better in person. She is a true Bluewater cruiser with her cutter rig and wind vane steering. Cast off from shore and head for those faraway anchorages. A cutter sail plan along with the spinnaker allows for expanded sail options to keep her balanced. The wind vane steering keeps you on course without burning up battery resources. If you want to sail for distant ports take a look at Dayspring she can make it happen.
