- Vanity areas with sink
- Storage cabinets below and above
- Electric Toilet
- Wet-head shower with chrome shower head
- 110v Outlets
- Port hole with retractable curtains

Vessel's Description

The Mission

Originally, the mission of the 350 SS was to keep the flock of loyal 310 SS customers from having to go out of brand when they wanted to trade up, but not all the way up to a 37. This 350 filled that gap quite nicely. But now that she's been around a while, her new mission is to remain consistent with the philosophy of maintaining the reputation that Formula was built on... quality. On that task, the 350 fulfills her goal quite nicely.

Finished in 2012 Formula's 350 SS Silver Flagship color scheme with a gorgeous White with silver accented Ultra leather upholstery, you feel wrapped in luxury before you even step aboard. The aft deck features a double sun pad with drink holders, expansive swim platform, and recessed cleats for a clean, sleek look. A short step up and you find yourself in the cockpit lounge with a U-shaped settee surrounding a Corian-topped table. To port is a wet bar with refrigerator and storage cabinet, and everywhere you look several drink holders will be in view--this is a space created for relaxation!

The helm area has side-by-side seating and additional seating across the companionway aisle, an opening windshield to access the bow, and the whole area is protected by custom canvas with removeable panels.

Moving through the sliding cabin door with integrated screen, you step down to the comfortable living quarters. The head with electric toilet and shower, refrigerator and TV are to starboard, while the galley with Corian countertops, induction stovetop, microwave oven are to port. Aft is a luxurious mirrored queen size berth with extra storage and multiple lighting zones. A mirrored storage cabinet alongside the stairs keeps vessel supplies neatly out of the way, while adding the appearance of immense cabin volume. Up front, the Ultraleather trimmed forward berth surrounds a highly polished salon table, which can convert to an additional double berth.
