Summary/Description

2002 Hunter 326

2002 Hunter 326 Features:

- Air Conditioning recently replaced
- Electronics recently replaced
- In Mast Furling
- Sails recently replaced
- Shoal Keel
- Bimini recently replaced
- and a lot more...!

Hunter's hallmark of innovation coupled with over 25 years of experience results in a safe, easy-to-sail, and comfortable boat, making the Hunter 326 the most advanced mid-size cruiser on the market today. A creative layout boasts two private staterooms with solid privacy bulkheads, not just curtains. A spacious, well-designed salon abounds with plenty of seating and storage. The teak-trimmed galley is complete right down to the dishware and offers a stove and microwave oven, along with an insulated icebox or optional refrigerator / freezer. Aft is a large head complemented with a Corian-topped vanity with storage and full shower. Topside, there's a wealth of innovations and features normally found on much larger boats. The rig, for instance, is a powerful B&R backstayless rig that allows easier sail handling with the large roach main and small jib. Hunter has even reduced the weight aloft by utilizing strategically placed mast struts and smaller mast sections. This ensures less pitching and rolling and a stronger rig. Hunter has also included its signature stainless steel arch that keeps the boom up and clear of the crew as well as keeping the cockpit clear of the mainsheet and traveler. The arch also makes a great attachment for the optional bimini and allows for sturdy handholds moving around the large cockpit. Even the console is custom which allows for electronics, drinkholders, storage and a pair of flip-up tables. No one can give you the performance, comfort and ease of sailing than Hunter. Sail a new Hunter at your nearest Hunter dealer today. The 2002 Hunter 326 Grace is located in the New Orleans Municipal Yacht Harbor and is only a 20-minute drive from the New Orleans International Airport.

Equipment List
