## Summary/Description

This remarkable German-Built Hanse 575 cuts a dash when standing still with her wrapped blue hull, sleek teak decks, razor sharp lines and striking black GMT Carbon rig.

*Casting off her Sausalito slip on a Windy day, she has the right blend of majesty and power over every other yacht you'll encounter. She's an ocean greyhound. Designed by world renown Judel Vrolijk, the German performance design group responsible for countless yachting victories. Blast around the bay with friends and clients, race the Transpac or cruise the world's oceans and archipelagos in comfort and style. This is the only boat you'll need.*

*No expense has been spared by the knowledgeable and discerning owners who have set up and maintained this vessel.*

*Her self-tacking jib with all lines led to power winches ensures single handing is a dream.*

*The dinghy garage equipped for a Williams Jet Tender TurboJet 285 provides the finishing touch to this delightful yacht. There whenever you need it and safely stored out of site when you don't. A 2016 Williams TurboJet 285 may be available for purchase separately but is currently NOT included.*

*A few of the notable upgrades include GMT carbon rig with rod rigging, GMT carbon park avenue boom, hydraulics, Elvstrom FCL upwind sails, a complement of downwind sails, bow and stern thrusters, factory-installed, custom upholstery, upgraded B&G H5000 electronics in addition to many more upgrades that can be found in this listing. Most factory options were selected. Professionally maintained with just 265 engine hours, Vie le Reve is a well thought out a very well equipped boat.*

*All sails, electronics and soft rigging are "race grade", Vie le Reve has never been seriously raced, but "race grade" is the highest quality available and provides the best functionality. T speed Keel provides extra performance*

*Vie le Reve is truly an incredible vessel and one of the best equipped 575 ever made available - She shows like new.*
