Summary/Description

1987 Beneteau Oceanis 350

This Beneteau Oceanis 350 has been a liveaboard for years and has been remodeled to be a work-at-the-boat office and liveaboard uniquely set up to live off the grid with solar and wind generators. The 350 Beneteau has popularized the so-called "Euro-style," typified by rounded features, near flat sheer lines, molded-in transom steps, windows, and high-volume interiors.
