4.5L MPI Bravo III
Inboard
300HP
223.71KW
Fuel: Gas/Petrol
Hours: 120
Location: Starboard

Summary/Description

LILA was enjoyed by a family who care for her, kept her in dry and covered storage and never chartered her.

LILA was enjoyed by a family who cared for her, kept her in dry and covered storage and never chartered her.

The Sea Ray Sundancer 320 is a successful series offering the best features of a day boat as well as a spacious lower deck with all the comforts imaginable for the overnights.

Being able to walk from the aft deck to the bow sun lounge area through the safety of the cockpit is a great piece of mind for the family. Additionally this design allows for a full beam cockpit and the usable length of the boat is much longer than other vessel designs of comparable size.

The very generous square footage of the hydraulic swim platform becomes the focal point every time at anchor when everyone benefits from the convenience of stepping down into the water and then eventually being lifted out of it.

The inboard power configuration of this vessel maximize the usable space, makes it an extremely quite ride and perfectly balanced her while underway.

LILA joystick piloting is extremely well calibrated and precise instantly promoting any Captain at the helm to the higher rank of Commodore.

Only 120 hours on the engines.

Any reasonable offer will be considered.

Manufacturer Provided Description

Experience the difference that comes from design that's equal parts luxurious and practical. From the spacious bow lounging area to the stylish, comfortable cabin, the Sundancer® 320 is built to impress. The versatility and seamless flow of indoor and outdoor spaces lend the Sundancer 320 an airy elegance that truly sets it apart from traditional sport cruisers.
