Summary/Description

The 1929 Triple Cockpit Chris Craft, affectionately named "Whoopee," is a stunning example of nautical history. This meticulously restored and repowered beauty is currently available for sale, complete with a custom trailer. Hailing from the pristine waters of Lake Tahoe, California.

Whoopee boasts a rich heritage and has only ever been launched in fresh water.

This timeless vessel represents the epitome of classic boating, capturing the essence of a bygone era while offering modern reliability and performance. The restoration of Whoopee has been carried out with unwavering attention to detail, ensuring that every aspect reflects the original craftsmanship while incorporating contemporary enhancements.

The 1929 Triple Cockpit Chris Craft is renowned for its distinctive design, luxurious woodwork, and exceptional handling on the water. Whoopee embodies these qualities, exuding elegance and charm that captivate enthusiasts and collectors alike. Its repowering with a 370hp MerCruiser Horizon 8.1 ensures dependable operation and performance.

Furthermore, the inclusion of a custom trailer enhances the convenience and versatility of owning this remarkable vessel. Whether for display at nautical events or for seamless transport to different fresh waterways, the trailer offers added practicality for prospective owners.

The Elegant 1929 Triple Cockpit Chris-Craft Whoopee presents an extraordinary opportunity to own a piece of maritime history that has been lovingly restored and thoughtfully updated. Its connection to Lake Tahoe, combined with its impeccable condition, makes it a rare find for discerning enthusiasts seeking a timeless and reliable classic boat. Don't miss the chance to experience the allure of Whoopee and add a piece of boating heritage to your collection.
