Scout 400 LXF

Twin Mercury 600Hp

The 400 LXF is a groundbreaking new model, representing a pinnacle of innovation. Meticulously designed and crafted, it seamlessly combines cutting-edge technology, exceptional performance, and luxurious styling. While it comes fully loaded with impressive standard features like the SeaKeeper Gyro Stabilizer, it's the award-winning optional upgrades that truly set it apart. Features such as the patented electronically-actuated articulating rocket launchers and the convertible leaning post with a Kenyon grill, sink, and cutting board elevate this model to unmatched levels within its class. Additionally, the standard hydraulic port side beach platform with synthetic teak adds another layer of sophistication and functionality, transforming it into more than just a remarkable boat—it becomes an extraordinary experience.
