Summary/Description

For Sale

2020 35 Scout LXF 355 Center Console "TT Exit Strategy"

Well maintained SUV of the seas. This boat can comfortably shuttle guests from the Yacht to shore, take them fishing, beach days, or even fishing. The comfort level of this vessel is next to none in its class. The Seakeeper 3 DC keeps the boat stable for those lacking sea legs or for the days spent fishing in less-than-ideal conditions. Heated helm seats for the cooler mornings or to relax in the back after fighting fish all day. AC at the helm and in the cabin to cool things off and a retractable roof that covers the aft cockpit on sunny days. The Vessel is set up to be towed behind a larger boat for tender usage. Petit Vivid white bottom paint blends seamlessly with the color scheme and prop speed protects the underwater metals. Forward cockpit sunshade covers the whole bow when at anchor or docked. Vessel also comes with full cover that can be used when vessel is in the water or on the lift. The motors are painted to match the hull as well as the Garmin Open Array scanner. Carbon fiber outriggers also come with the boat, they have never been used and have been stored indoors. GOST Navigation tracker to keep insurance companies happy and XM weather and radio to keep everyone entertained and in the know about the weather in real-time. Refrigerator, TV, Sink and head below with table.

Electrical

- AGM Battery bank to power Seakeeper, AC and house electronics
- Solar to keep batteries topped off
