Summary/Description

Used Sail Catamaran for sale

Get residual income by keeping DRIFTER in charter or take her on a new adventure, the choice is yours.

DRIFTER is currently in charter in The Bahamas. She is welcome to stay in her current charter program or can be released with a 3 month notice after purchase. Owner would agree to give the notice immediately once she is under contract AND would block the boat off from further bookings for three months for "owner use" if so desired.

If you are looking to offset costs by having a boat in charter or looking for a wonderful family cruiser, this is the boat for you.

DRIFTER features 4 luxuriously appointed cabins with en-suite heads and both forepeaks are fitted with bunks. She is upgraded with 57hp engines, air conditioning, 13.5kva 110v generator, a hard-top bimini with windscreen, watermaker, dinghy with outboard, and solar... everything you need for a great charter boat or a home-away-from-home.

Water toys such as kayak and SUP are not included in the sale but may be provided if the boat is put into charter.
