Summary/Description

Used Sail Catamaran for sale

The 52 truly marks a new stage in the design of cruising catamarans, as had its predecessor, the famous 500.

If the vertical bows with the "diamond-like" appearance, the beveled shapes of the hulls, the sleek in lift, and the rigorous rigging of the 52 already announce a little color, its originality does not stop with its "look" outside, nor with that of its interior arrangement.

This Lagoon is indeed the fruit of long reflections of the architect Van Peteghem-Lauriot Prévost (VPLP), the Italian firm Nauta Design and Lagoon design office. The important and sometimes radical choices we have made in these reflections are a faithful reflection of our convictions, whether in terms of elegance, comfort, safety, ease of use, and of course ... performance under sail
