Summary/Description

Used Sail Catamaran for sale

Well maintained charter layout Fountaine-Pajot Salina 48 catamaran for sale with dockside air conditioning, dinghy & outboard, extra electronics, all linens and equipment and ready to continue cruising.

Hotel California is a rare ICW friendly rig!

The Salina 48 is a state of the art in terms of hull dimensions, construction, load carrying, performance and sea-kindliness for a cat destined primarily for the owner-cruiser market. This meant 200nm daily passage-making, positive flotation, plus hull volumes on the high side to cater for livability, and no dagger boards.

The Salina 48 impresses by its size and elegant design. It is a 48-foot cat aboard which nothing has been left to chance. Performance, ergonomics, comfort, space, everything was thought of to build a successful and seaworthy boat that will safely take you on a pleasant cruise. Its generous sail plan of 136 m2 will enable you to reach some interesting bursts of speed while remaining stable in all weather conditions. The raised helm station, carefully studied to facilitate maneuvers, can comfortably welcome 3 people to enable you to share some nice friendly moments while steering. The helmsman is not left isolated from the rest of the crew! Another important point is the space on board. The Salina 48 offers generous volumes both inside and out, as you can see from the saloon and large cockpit flowing seamlessly onto each other and doubling the living area on one same level, but also from the bathing platform, spacious cabins or comfortable sundeck adjoining the cockpit. The Salina 48 is the ultimate cruising catamaran, which can easily accommodate about ten people for a cruise with family or friends. Hotel California is ready to cruise anywhere!
