57HP

Fuel: Diesel

Hours: 1114

Year: 2019

Summary/Description

Used Sail Catamaran for sale

The “perfect long-term cruising catamaran” springs to mind when you step aboard the Lagoon 46. Easy responsive performance and functional luxury awaits you. Seaworthiness and performance are marks of this model.

Increased sail area and displacement ratio thanks to a larger sail plan

A very high aspect ratio thanks to the VPLP design racing results that proved moving the mast moved back was a good design choice. Combining a shorter boom and self-tacking jib, trim the mainsheet car through an electrical flatwinder. Improved performance in downwind sails provided by a very long J.

The Lagoon 46 is your passport to extended cruising adventures. Designed for unforgettable journeys with family and friends, it quenches your thirst for exploration. This catamaran prioritizes reliability and well-being, ensuring your cruise starts on the right foot.

With its seamlessly integrated cockpit, the Lagoon 46 offers unparalleled horizon views. The flybridge is a versatile space, combining sundecks and a full helm station for ease of handling. The cockpit, with ample storage, sliding bench seating, and an exterior galley, transforms into an inviting living area for up to twelve people, perfect for creating cherished memories. Inside, the Lagoon 46 boasts unmatched interior volume, blending comfort and practicality in a refined atmosphere.
