Sleeps: 8

Single Berths: 8

Heads: 4

Fuel Type: Diesel

Hull Material: FRP

Bridge Clearance: 71' 10"

Displacement: 13.99 tonnes

HIN/IMO: LEO45058J001

Stock #: 437279

## Engines/Generators

### Engine 1

YANMAR

4JH5E

54HP

Fuel: Diesel

Hours: 2040

## Summary/Description

Used Sail Catamaran for sale

S/V Althea is a newly redone 2000 Leopard 45/47 catamaran, for sale by owner. Althea has had her sugar scoops extended by 2 feet to a total of 47 feet to enhance her performance in 2023.

The classic Leopard 45, also known as the Moorings 4500, was designed by Simonis Voogd and built by Robertson & Caine in South Africa. When it was introduced in 1997, the Leopard 45 was selected by Cruising World Magazine as "Charter Boat of the Year" and quickly built an outstanding reputation in the Moorings and Sunsail charter fleets.

These catamarans set the standard for comfort, ease of sailing and performance when they were introduced. The layout allows easy movement about the boat from the spacious aft deck, a step down to the swimming platform, or relaxing on the foredeck trampoline.

The innovative deck layout brings a host of features to make life and sailing simplicity itself. From the aft deck arch that puts the mainsail sheeting system out of harm's way, to the ingenious anchoring system, sailing the Leopard 45 is a breeze.

The Leopard 45 has robust shaft drives and skeg protected rudders making it well suited to cruising in remote areas.

Leopard Catamarans of South Africa was founded by builders John Robertson and Jerry Caine in 2000- a partnership that has been sustained since 1991. At the time, their catamarans were designed and built primarily for charter companies Sunsail and The Moorings. With over 1,500 vessels catamarans built, Leopard has established itself a leader in the production catamaran market both for private and charter use.

## Layout & Accommodations

### Cabins

Queen size beds

Large long shelves along bed

Closet with clothes hangar

Overhead hatch includes bug screen and shading screen

LED lighting throughout cabin with reading lights on both sides at head of bed

Memory foam mattress topper for added comfort in master cabin
