MADLEIGH is an excellent example of the 34-2. Known for speed, MADLEIGH with a wing keel and 4 foot draft is an excellent Chesapeake Bay boat that is also suitable for coastal cruising. Recent work includes; re-bedding all deck hardware, new keel boots and backing plate and complete sail inspection, re-stitching, and new UV cover for the jib by Quantum Sails. The self-tacking jib makes single handed sailing a joy.
