HIN/IMO: ZCU56228L788

## Engines/Generators

### Engine 1

Volvo

25HP

18.64KW

Fuel: Diesel

Year: 2003

## Summary/Description

1988 Merlin (Canadian Sailcraft)

Introducing "Drumbeat," a single owner Merlin 36 by CS Yachts (Canadian Sailcraft) designed by Tony Castro, as a performance cruiser that is both fun to sail and comfortable below deck. This sloop-rigged sailboat represents the essence of quality craftsmanship and sailing excellence.

Equipped with a custom tall rig, shoal draft wing keel, and reliable Volvo Penta diesel engine, "Drumbeat" ensures an exhilarating and smooth sailing experience.

Below deck, the interior boasts elegant teak finishes and ample storage space throughout. The forward V berth, complemented by a starboard head, offers comfortable sleeping quarters. The spacious salon area features a leaf dining table and seating, perfect for entertaining guests. A chart table, galley kitchen, and spacious aft cabin complete the layout, with additional berths available in the main cabin.

Crafted with precision, the hull showcases hand-laid fiberglass with a balsa core above the waterline, ensuring durability and strength. Further enhancing functionality are features like Lewmar winches, a swim ladder off the transom, and an oversized binnacle compass.

"Drumbeat" is ready to embark on new adventures with her next owner.
