Summary/Description

This beautiful Beneteau 393 is roomy in all the best ways: plenty of space in the cockpit, lots of legroom, headroom and elbow room, and a generous main salon layout.

Her sight lines are great, and the entire yacht is built to be comfortable, efficient, and ready to cruise.

She's got a desirable two-cabin, two-head interior layout which is great for entertaining. This layout offers a very large cockpit locker for storage as well as the additional interior space for extended cruising. There's also plenty of natural light and storage and a delightful cross-breeze when needed! Everything you need to make your long distance cruise - or just an afternoon on the water - enjoyable.
