Summary/Description

The most successful C-Dory model, the 22' Cruiser was first introduced in 1987 and has enjoyed a steady production run.

She's a practical boat, designed and built to be seaworthy, easily maintained and affordable to operate. Although a full-size cabin cruiser, the 22' Cruiser is relatively light and well balanced for easy towing. Overnight fishing, diving, or surfing trips are attainable with her cuddy cabin. Sleeps (2) persons in a forward v-berth.

A desirable Santa Barbara slip permit is available as well. Priced separately; ask us for details.
