Summary/Description

KIMBERLIE represents a unique vessel that combines many yacht owners' wishes in a very manageable 127' size.

KIMBERLIE represents a unique vessel that combines many yacht owners' wishes in a very manageable 127' size. Six staterooms, a large sky lounge, a captain's cabin next to the wheelhouse, aft garage, crew for eight, and less than 8' draft all make this an attractive yacht for both owners and charter clients. KIMBERLIE is a must-see for anyone looking at tri-decks in this size range.

She boasts close to 350 GTS and just had over \$500k in updates. She is charter-ready and Bahamian-flagged.

Overview

KIMBERLIE benefits from an owner who has spent the time and effort to maintain her in excellent condition and continuously update her wherever needed. An interior refit was conducted over the Summer of 2019. This included new soft goods and audio/video updates throughout the boat. The salon was enhanced with a new sofa, chairs, and tables, the formal dining chairs were reupholstered, and the galley dinette was recovered in new fabric. The sky lounge saw the most dramatic upgrades in the refit, which includes a new 83" Sony TV and audio/video equipment, a faux fireplace, and a new couch, chairs, and table. She just received another interior update including some artwork in 2023.

KIMBERLIE is powered by Caterpillar C32A's and reliable Northern Light generators. She remains in Rina Class, and with all service and updates performed, is 100% turn-key for the next owner to step aboard and cruise immediately, or charter as well.

Walkthrough

Entering the salon from the teak aft deck through twin glass doors, you immediately encounter a quaint sitting area with four-barrel chairs, two sofas, and a pop-up 52" TV. Forward of this is the elegant dining room, with formal seating for ten.

Forward to port is the well-appointed, open space galley, with professional-grade appliances and a wonderful sitting/eat-in area. The crew quarters lead down from this area.

Going forward and starboard from the dining area, you enter the main foyer with a spiral stairway leading both up and down. Just forward is the day head. Forward yet is the master stateroom with king sized bed, sitting area, walk-in closet, and an ensuite bath with tub and shower. Soft goods were replaced in 2023.

Entering the lower level from the foyer, you'll find four well-appointed staterooms. Aft are two kings and forward are two doubles. All staterooms feature ensuite heads. Soft goods were replaced in 2023.

On the upper level and forward is the large pilothouse, featuring a great array of electronics, an observation couch, and an attached captain's cabin. Going aft you pass the day head and see the 6th stateroom to starboard which is a king and features an ensuite head with shower. Further aft is the sky lounge, with a stand-up bar, L-shaped couch, game table, and large flat-screen TV. Outdoors on this level is a sitting area featuring a couch and two captain chairs.

Moving up to the flybridge, you have a large Jacuzzi centerline forward with sun pads to starboard and stand-up bar to port complete with electric BBQ. Aft is dining for ten, and further aft are two new jet skis. This is a great space for entertaining.

Main Salon Area

- (2) New couches and (4) chairs which give you seating for 8 (2023)
- All wood flooring throughout and forward into dining area with beautiful large coffee table
- (4) Lamps with corner tables
