## Engines/Generators

### Engine 1

Caterpillar  
C18 ACERT  
Inboard  
1150HP  
857.56KW  
Fuel: Diesel  
Hours: 575  
Serial #: JLE05600  
Location: Port

### Engine 2

Caterpillar  
C18 ACERT  
Inboard  
1150HP  
857.56KW  
Fuel: Diesel  
Hours: 575  
Location: Starboard

## Summary/Description

2017 French Yachts 54 ENX

The French 54 ENX ( Enclosed Express) was built to the highest standards in yacht construction available. It is a must see for anyone that appreciates fine custom sport fishing yachts. This ENX is fully epoxy composite with a "one-piece" construction approach. The hull is infused with toughened epoxy and post cured according to the most advanced manufacturing standards. She is powered by twin C-18 Acert CATs and has the Seakeeper Gyro system.

Every system in the boat was state of the art and engineered for easy operation and minimal maintenance.

Full Caterpillar engine warranties through September 11, 2026.

## Vessel Walkthrough

Entering the helm deck area from the cockpit the helm station is to port with guest seating port and starboard of the centerline helm. The expansive windows allow for excellent 360 degree visibility. The helm deck offers some of the same creature comforts of down below featuring a Subzero refrigerator/freezer, ice maker, and 43" LG TV, custom U-Shaped lounge seating with electric hi-low Teak table that lowers and converts to additional berth, down 3 steps into the main cabin you will notice the head located to starboard and aft, the galley is to port, a large couch is to starboard, you access the second stateroom aft to port and features 2 large over/under berths. The master stateroom is located all the way forward with a centerline queen berth.

### Lower Salon:

The lower deck area has Teak and Holly satin finished flooring throughout. There is a Large couch with custom footrests that convert to dinner trays to starboard, rod storage under couch. Full galley to port.

- Garmin autopilot
- Garmin VHF radio
- Twin CAT displays
- FLIR controller
- Lumitec LED spreader lights, tri color LED lights throughout

**Construction**

- Fully composite construction for century long service
- Ultra-Tough bottom construction provides security against grounding
- Honeycomb walls and soles for weight savings, sound attenuation, stiffness and durability
- Epoxy resin for world class tough adhesion
- Cored stringer systems - never be concerned with rot
- Integral FRP tank construction for maximum capacity and longevity
- Monocoque construction provides the stiffest overall boat
- Waveform™ hull design performance is renowned amongst the world's experts

**Broker's Comments**

Generous range with very good fuel economy, shallow draft, wide beam, and fully founded, this is a state of the art sportfisherman with great looks and an excellent turn of speed. Boat shows very well.

Fresh bottom paint, SeaKeeper serviced, and full mechanical servicing.

Offered as an outright purchase by a well respected Kids Charity, this boat is sales tax exempt if registered in Florida.

**Mechanical Disclaimer**

Engine and generator hours are as of the date of the original listing and are a representation of what the listing broker is told by the owner and/or actual reading of the engine hour meters. The broker cannot guarantee the true hours. It is the responsibility of the purchaser and/or his agent to verify engine hours, warranties implied or otherwise and major overhauls as well as all other representations noted on the listing brochure.
