Summary/Description

This 2006 Sea Ray 320 Sundancers has had many upgrades like new long-blocks in 2016, new shafts, new shaft seals, updated chartplotter, radar and canvas.

This Sea Ray 320 Sundancer has many updates, and we have a new silver vinyl wrap on the hull, making this vessel sleek and sharp! New long blocks in 2016, New Electronics, New Cabin Carpet, and New 14k BTU Air Conditioner are a few of the high points, but view the comments and updates below. Sea Ray has been setting the standards for express cruisers for 40 years, so it was hardly a surprise that the 320 Sundancer introduced in 2003 delivered just the right blend of style, comfort, and performance. Sea Ray's dedication to quality is evident in this boat, from the sporty burlwood dash to her newer vinyl, camper canvas, and premium hardware. Below decks, the 320's interior is brightly lit and completely open with a newer AC unit. High-gloss cherry paneling and mirrored accents highlight a decor rich in luxury and sophistication. The salon settee converts to a double, an island berth is forward, and the stateroom aft of the companionway steps doubles as a secondary conversation area. Curtains separate both sleeping areas from the main salon, and solid surface counters and cabinets are found in the galley. The Sundancer's cockpit layout has U-shaped seating aft for four, a stylish dual helm seat with flip-up bolster, and a full wet bar. The boat is stored in a covered slip in Tarpon Springs, FL, and the slip can be assumed at current lease rates. The side decks make moving forward easy, and engine access is wide open, with twin worm gears raising the cockpit sole. The 320 Sundancer with 5.7L 350 MAG will cruise 21 knots with a top speed of 27+ knots.
