Customizable Boat: Fort Lauderdale

The Highfield Ultralite 310 is a lightweight and durable tender with a maximum rating of 15 HP with 10 HP recommended. At 10'2" the UL 310 weighs just 110 pounds. It is spacious yet easily transported and stored onboard. The UL is a great option for those who would opt for a soft bottom tender, as its rigid hull delivers a stable ride. The high tensile chromated and powder coated hull is highly durable and is ideal for those who need to beach and trailer their tender without worry of hull damage.

Standard features include Orca Hypalon or Valmex PVC tubes (list price includes Hypalon tubes), flush mount non-return valves, a self-draining deck, a removable seat, lifting points, tow eyes, tow bridle points, a non-skid deck, a light weight rub rail, a full length keel guard, and an under seat bag, a Highfield dry bag, a repair kit, a foot pump, and oars.

***Engine and optional features not included at base price.**

Come test drive a Highfield Boats tender at these Florida locations:

Dania Beach / Ft. Lauderdale and Palm Beach.
