Engines/Generators

Summary/Description

The De Antonio Yachts D28 Deck is a modern design with an open deck layout. Its outboard engines are covered by an engine hatch to maximize deck space and acoustic comfort

Customizable Boat: Fort Lauderdale

The De Antonio Yachts D28 Deck is powered by single or twin outboards up to 400 HP. Its concealed outboards offer maximum convenience and deck space with enhanced acoustic comfort. Its large sunbed and ample seating offers plenty of space for up to 10 persons.

The ergonomic helm is comfortable for steering while seated or standing and includes space for electronics and an audio system control unit, a tilt steering wheel, and a compass. Forward of the helm is a sunbed lounge with an adjustable backrest, and a forward helm bench seat. Lift the forward sunbed to find a concealed head compartment with an optional marine or electric toilet and a double berth. The bow lounge includes an adjustable table to convert to another sunbed. Aft of the helm is yet another sunbed for maximum enjoyment.

Standard features include an artificial teak deck, an electric anchor winch, LED navigation lights, a retractable bow table, a swim ladder, a flagpole, a set of D28 fenders, retractable aluminum cleats, carbon trims on bow and sides, a Fusion audio system, bilge pumps, and an aft deck shower.

Optional features available include a Simrad GO7 with a depth sounder, a Fusion audio system with four speakers, a sub-woofer, and an amplifier, a bow thruster, Lenco trim tabs, a swim platform extension, a canvas awning, additional fenders, a manual head, an electric refrigerator, underwater lights, and bottom paint.

We're proud to showcase De Antonio Yachts at all our Florida showrooms, including:

Ft. Lauderdale, Palm Beach, Stuart, Sarasota, and Tampa Bay.
