The Highfield Sport 560 has a maximum rating of 115 HP and is well suited as a luxury yacht tender. Its powder coated aluminum hull lets you trailer or beach your boat without worry of hull or gelcoat damages. The 24° degree deadrise provides a comfortable and impressive ride.

The console is large enough to fit a 9" plotter and includes a tinted windscreen, a grab rail, and an flip-up standing bolster. Other features include a wide bow boarding step, a bow seating area convertible to a sunbed, stern seating with a folding table, a telescoping boarding ladder, an optional ski tow or tow arch, faux teak EVA foam decks, and four dry storage compartments.
