Customizable Boat: Fort Lauderdale

The Highfield Sport 330 is an aluminum hulled inflatable tender with high end finishes and a comfortable, low profile console. This 11'2" RIB has a maximum rating of 30 HP with 20 HP recommended. The high tensile chromated and powder coated aluminum hull is ideal for those who beach or trailer often, as there is no worry of gel coat or fiberglass damages. This boat is light weight and easy to launch, making this a superior vessel for use as a luxury yacht tender.

Features include Hypalon or PVC tubes, flush mount non-return valves, a self draining deck, an integrated aft seat, integrated transom supports, tow bridle points, a brushed foam teak finish deck, a heavy duty rub rail, a full length keel guard, a Highfield dry bag, a foot pump, oars, and a repair kit.

Come test drive a Highfield Boat at these Florida locations:

Dania Beach / Ft. Lauderdale and Palm Beach.
