Summary/Description

This new SVX 191 Starcraft is powered by a Mercury 150 HP four-stroke outboard. It sports an orange quicksilver black hull and features a black Bimini top that provides plenty of shade and a black cockpit cover to help protect your boat from any sun or environmental damage.

Arriving on March: Fort Lauderdale

This 2022 Starcraft SVX 191 OB proves that fun on the water doesn't have to come with a big price tag. This SVX comes loaded with value options including features like black bimini top, grey upholstery and upgrade color package. Powered by a Mercury 150 HP four-stroke outboard.

The helm is equipped with features like grey helm seat with flip, Jensen radio, cupholder, seastar hydraulic steering and Mercury trim gauge.

Other features includes black rub rail, gray interior upholstery, grey bow & stern platform mats, Jenses speakers, fuel water separator, Livewell, ski tow pylon, engine house dual battery system, non-pressurized water system and black cockpit cover.
